

**KUMHO TYRE**  
Better, All-ways

# ECSTA PS71

A sports performance tyre delivering true driving refinement.

Provides fine and stable driving with superb handling and braking performance on wet and dry surfaces.

## COMPOUND TECHNOLOGY

A High Dispersion 'Micro Silica' compound maximises wear, handling, performance and fuel efficiency.

## MAXIMISED DRIVING PERFORMANCE

Maximised tyre contact area through an optimised tread design. Four main wide grooves direct water drainage out of the tread area.

## DURABILITY INCREASED

Application of new hybrid cap ply made of steel belts strengthens the casing. Inclusion of a fabric insert into the sidewall provides extra rigidity.

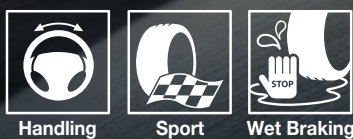

**ROAD HAZARD WARRANTY**

**EVENTUALLY REPLACES KU39**

## TYPICAL VEHICLES

Perfect for prestige and performance vehicles such as Audis, BMW, Mercedes, Lexus and HSVs.

### UTQG

Tread Wear 320 | Temperature A | Traction A
